1 Overview

The TCD Open Championship Rules of Operation are the responsibility of Basketball WA. Basketball WA recognises the need to maintain up-to-date rules that ensure fair and consistent gameplay.

2 Scope

These rules apply to the TCD Open Championship men's and women's competitions.

3 Document Author and Approving Authority

These rules are subject to the Competition Rule Change Procedure (BWA-COMP-PRO-001).

The BWA General Manager of Competitions is the approver of these rules, with any material changes requiring Chief Executive Officer engagement. Suggestions for changes should be communicated to the BWA Head of Junior Competitions.

4 Eligibility Requirements

4.1. Affiliation and Membership

All Associations must be affiliated and financial members of Basketball WA.

4.2. Compliance

All Associations participating in the TCD Open Championship must abide by the Rules of Operation as set by Basketball WA.

4.3. Association Requirements

All Associations must provide a home venue for all fixtured home games.

Associations are responsible for ensuring the presence of game day staff, including:

- Games Controllers
- First Aiders

Refer to Appendix A and Appendix B for duty statements.

5 Competition Structure and Nomination

5.1. Competition Structure

The TCD Open Championship will consist of a men's and women's competition, each made up of representative teams of Affiliated Associations.

5.2. Divisions and Conferences

Where determined appropriate by BWA due to the number of teams competing, the competition may be divided into divisions or conferences.

5.3. Entry

Existing NBL1 West Clubs and Western Australian Basketball League (WABL) Associations will be granted the opportunity to enter one men's team and one women's team into the TCD Open Championship each year.

New entries to the competition will be considered through an application process endorsed by the Junior Competitions Advisory Group and approved by the Chief Executive Officer. Existing Associations will be consulted on any proposed new entrant.

5.4. Team Withdrawal Penalty

Once the official fixtures have been completed and distributed, Associations will incur a fine for withdrawing any teams. Penalty for withdrawal after official fixtures are distributed: \$750.00 per team. There are no grounds for appeal of this penalty.

6 Playing Rules

6.1. FIBA Rules with Modifications

The TCD Open Championship competition shall be conducted under the playing rules of FIBA with the following modifications:

- Article 46.12 (2008): the competition will not adopt the rule allowing the use of technical equipment to decide if a last shot at the end of each period or extra period was released during playing time.
- Article 4.4.3: the competition will not force players to have left and right shoes of matching colours. However, it will still enforce the rest of the rule, prohibiting flashing lights, reflective materials, or other adornments.

7 League Standings

7.1. Championship Points Allocation

- Win: A win is awarded 2 championship points.
- Loss: A loss is awarded 0 championship points.
- Washout: In the event of a washout, both teams will be awarded 1 championship point each.

7.2. Classification of Teams and Determination of Rankings for Finals

Ladder ranking order

1. Ladder points
2. Head-To-Head (refer below)

3. Percentage

Head-To-Head (H2H) Calculations

- If there are two teams equal on ladder points, the result(s) of the game(s) between the two teams involved will be used to determine the placing.
- If more than two teams are equal on ladder points, a mini ladder will be established considering only the results of the games between the teams that are tied.
- Eligibility Check: H2H ranking is only applied if all tied teams have played each other an equal number of times. If not, the next ladder ranking method will be applied.

Tiebreakers

The following tiebreakers are applied in order:

- Point Differential: Total points scored minus points conceded in mini ladder
- Points For: Total points scored in the mini ladder
- Overall Point Differential: Point differential in the general ladder
- Overall Points For: Total points scored in the general ladder

Points difference is calculated by points scored for; minus points scored against.

- If ties persist after all tiebreakers, the next ladder ranking method will be applied.
- The H2H tiebreaker process repeats from the beginning if any team is eliminated during calculations.

8 Uniforms and Attire Regulations

8.1. Player Uniform and Coach Components

Player uniforms consist of:

- Playing singlet
- Playing shorts (must not extend past the kneecap and must be without pockets)
- Warm-up top
- Tracksuit
- Any other club apparel that is approved by BWA for players to wear.

Coach/Team Manager/Support Staff uniforms consist of:

- All coaches and team managers must wear an Association branded polo, plain black shorts or pants, and enclosed shoes.
- Any other club apparel that is approved by BWA for coaches, team managers or support staff to wear.

All items must be endorsed by the Association and approved by Basketball WA.

8.2. Correct Uniform Requirement - Players, Coaches, Team Managers and Support Staff

All players must warm up and play in their Association's correct, registered uniform.

- Uniforms or clothing that deviates from Association-endorsed (and BWA approved) merchandise or branding are not permitted.
- Where an association has an approved warm-up top, this must be used as the official warm-up item (for example, a polo is not acceptable).
- Players, coaches, team managers or support staff not wearing the approved registered uniform are ineligible to play or participate.
- All player singlets and player shorts must be of a matching design unless Basketball WA approves otherwise.

Failure to comply will result in a fine of up to \$300.00, and if an ineligible player is played (or coach, team manager, support staff is in the bench area), the game may result in a forfeit. For absolute clarity, an ineligible coach, team manager or support staff is someone who is not wearing a uniform that is correct, registered and includes the Official WABL logo.

8.3. Registered Uniform and Changes to Registered Uniform

All Associations are required to register their uniform with Basketball WA.

Any changes to the registered uniform must be lodged with Basketball WA for approval.

This includes playing singlets, playing shorts, warm-up tops, coach polos, tracksuits, and any other items that may be worn on game day.

8.4. Under Garments

In accordance with FIBA regulations, arm and leg garments, including undershirts and undershorts, are permitted if made of compression material.

- Compression material that is not skintight is not permitted.

All undergarments must be:

- Black, white, or
- The same dominant colour as the playing uniform.
- It is not a requirement for all players to be wearing a consistent colour

8.5. Prohibited Items

- Hats and sunglasses are not permitted to be worn by players, coaches or team managers.
- Shoes that are not enclosed are not permitted to be worn by coaches or team managers.
- Examples of inappropriate shoes: thongs, slides, sandals, crocs

Failure to comply will result in a \$100.00 fine.

8.6. Uniform Numbers

- Numbers must be displayed on the back of the playing singlet (minimum 20 cm tall) and the front of the singlet (minimum 10 cm tall). All numbers must be no less than 2 cm wide.
- In accordance with FIBA rules, teams may only use numbers 0, 00, and 1 to 99.

- Players on the same team shall not wear duplicate numbers.
- No sponsorship, manufacturer, or Association logos, names, or player names may infringe on the playing number.
- Any player whose number does not comply with these requirements is ineligible to play.
- In the event of a uniform colour clash, the home team is responsible for changing into their alternate colour. Should this not be possible (i.e. no reversible uniforms), the away team is expected to change into their alternate colour if available. Basketball WA recommends home Associations always have a clash set available should either team not be able to reverse to their alternate colour.

8.7. WABL logo

The following WABL logo rules and requirements apply for the 2026 TCD Open Championship season.

The Official WABL Logo is determined by Basketball WA, and may include a sponsor integrated into the Official WABL logo.

For WABL Associations, the Official WABL logo must be placed:

- On the right-hand leg of the player shorts.
- On the right breast of the player singlet.
- On the right breast of the player/coach/manager Association polo.
- On the right breast of the player warm-up top

Any change to the WABL logo will require amendment to uniforms (via heat transfer or through purchase of new uniforms).

Existing uniforms of all teams will be required (as a minimum) to undertake heat transfer with patches provided at the expense of Basketball WA. For absolute clarity, this includes player shorts, player singlets, player warm-up tops, and coach / team manager / support staff polo shirts.

If existing WABL logos are the horizontal version, the heat transfer may be the horizontal version of the logo.

For all future uniforms, the vertical WABL logo must be used on all shorts, singlets, polos, warm-up tops, tracksuit, or any other apparel featuring the official WABL logo.

Note: if BWA has not provided the heat transfers in time for the competition, then the heat transfers component will not be enforced.

Any Association apparel that includes the WABL logo, must be the official WABL logo. This applies to any new apparel.

8.8. Advertising on Uniforms

Excluding the uniform number, any line (e.g., player name or sponsor) on the back of the singlet must:

- Comply with a maximum height of 8 cm.
- Not encroach on the singlet number.

The Association name or team logo must appear on the front of the singlet:

- Written in 1 line (max 8 cm) or 2 lines (max 6 cm each).

Team Logos:

- On the front of the singlet must not exceed 25 cm (W) x 25 cm (L).
- On the front of the shorts must not exceed 12 cm (W) x 12 cm (L).

Manufacturer's Logo or Advertising:

- Must not exceed 12 cm (W) x 12 cm (L) on the front of the singlet or shorts.

8.9. Referees

- A Basketball WA-issued referee shirt.

Items that cannot be removed including those listed above must be covered with a protective device, such as medical tape.

8.11. Enforcement

A BWA staff member may enforce such regulations if they are present at an event that requires WABL uniforms to be worn.

9.5. Scorers and Timekeepers

For non-Showcase games:

- The home team is responsible for supplying the timekeeper.
- The away team shall provide the scorer for the electronic device (iPad, tablet).
- Refer to 16.0 Officials – Duty Teams for more details.

Failure to comply may result in a \$50.00 fine.

9.6. Shot Clock Requirement

All games will be fixtured to a court with shot clock capabilities. The shot clock operator for each game will be sourced by Basketball WA.

10 Players and Forfeits

10.1. Minimum Age

A player must turn at least 14 years of age during the year in which the player seeks to register. Any Team that plays an underage player will automatically forfeit the match and be fined in accordance with these Rules of Operation.

10.2. Registration

All players must register via the online player registration form before participating in any game. Associations are responsible for ensuring player registrations.

10.3. Team Size

A maximum of 12 players can play for a team in each game, both regular season and finals.

Players not physically present by the end of the game must have their names removed from the scoresheet or scoring device.

10.6. Forfeits

- A forfeit occurs when insufficient players are present 10 minutes after the scheduled start time.
- If a team's opponent forfeits, all registered players of the non-forfeiting team will be credited as having played that game.
- Teams fielding an ineligible or unregistered player will forfeit the game.
- Any uncleared player will be deemed ineligible.

Playing an ineligible or unregistered player (game deemed a forfeit): \$100.00 fine.

Non-compliance of Competition Coach accreditation: \$50.00 per offense

12 Restricted Players

12.1. Non-Restricted International Players

Female international (do not hold Australian Citizenship or Permanent Residency) players eligible for the WABL Under 21 competition, or male international players eligible for the WABL Under 20 competition are considered non-restricted players. All players are still subject to any requirements by FIBA.

12.2. One Restricted Player

Each team in the TCD Open Championship can include one (1) Restricted Player (Category A, B, or C under NBL1 West rules) who is not contracted to an NBL1 West team for that season.

To be eligible to participate, any Restricted Player must:

- meet all applicable FIBA licensing requirements.
- hold the appropriate Australian visa and work rights; and
- not hold a valid contract to an NBL1 West team.

All eligibility, licensing and visa requirements must be satisfied prior to participation in any Open Championships fixture. Clubs are responsible for ensuring that all required documentation and approvals are in place before a Restricted Player takes the court. Basketball WA will not permit participation where eligibility, licensing or visa requirements have not been met.

No financial cap will apply to Restricted Players for the 2026 season.

For clarity: If a Restricted Player participating in the Open Championship subsequently enters into a contract with an NBL1 West team, they become ineligible to continue participating in the Open Championship from the commencement of that contract. Should the player later be released

from their NBL1 West contract and return to an uncontracted status, they may again become eligible to participate in the Open Championship, subject to meeting all other eligibility requirements.

13 Eligibility for Finals

13.1. Minimum Game Requirement

To be eligible to play for any team in the Finals, a player must have played at least one-third of all qualifying games for that team during the season.

13.2. Petition for Waiver

If a player does not meet the game requirement, the Association may petition Basketball WA three (3) weeks prior to the finals starting to waive this restriction.

13.3. Injured Player Registration

13.4. State or National Commitments

- The Referees allocated to each game are responsible for ensuring all players named on the scoresheet are present and taking part in the game.
- The Games Controller is responsible for making the final decision on any participation disputes.

13.6. Ineligible Player Penalty

If a team is found to have played a player who has not qualified for the finals, the team will automatically forfeit the game and will be fined accordingly.

\$100.00 fine for playing an ineligible player, resulting in a game deemed a forfeit.

For Showcase games, the home Association will supply the timekeeper and scorer.

17 Services at Venue

17.1. Responsibility of Home Association

It shall be the responsibility of the home Association to ensure that all equipment and personnel necessary for the correct and safe conduct of the game are supplied.

17.2. Recording of games

All games are to be recorded by the Home Team with a camera that tracks play and uploaded to the designated platform within 24 hours of the game to enable the production of post-game statistics.

For the avoidance of doubt, the use of a fixed camera positioned in a corner of the court does not meet this requirement, as it does not provide sufficient coverage for accurate statistical analysis.

Minimum requirements for all Showcase Games:

- Full scorebench
- Three-person officiating (3PO)

17.4. Court Preparation

All courts are to be swept prior to games.

17.5. Reporting of Unsatisfactory Equipment/Services

Reports of stadiums providing less than satisfactory equipment, services, and personnel will be submitted to Basketball WA for its attention and actions.

Actions may include re-fixturing to other venues and fines for offending Associations.

\$50.00 fine per offense

17.6. Appointment of Games Controller

The home Association is required to appoint a games controller who will adhere to the requirements of the Games Controller Duty Statement (Appendix A).

17.7. Appointment of First Aider

The home Association/venue is required to appoint a first aid person for duty when all WABL games are in progress. This person will adhere to the requirements of the First Aider Duty Statement (Appendix B).

17.8. Games Controller Meeting

Before the commencement of each season, games controllers may be required to attend a meeting conducted by Basketball WA.

17.9. Dangerous Conditions and Game Cancellation

In the case of dangerous conditions applying in any venue, the games controller has the right to cancel or reallocate a game to another court.

17.10. Reporting Cancelled Games

A written report must be submitted to Basketball WA by the home Association if any game is cancelled due to dangerous conditions.

17.11. Replaying Cancelled Games

All games cancelled due to dangerous conditions will be:

- Re-played at the discretion of Basketball WA.
- If the original game had reached half-time or more, the score at that time will stand.
- If the game is to be re-played, Basketball WA will liaise with the Associations involved to find a suitable reschedule.

18 Clearances

In 2026, all clearances related to players in the TCD Open Championship are subject to the WABL Clearance rules.

19 Awards and voting

19.1. Award categories

In 2026, BWA will introduce MVP, All-1st Team, and Coach of the Year awards to the TCD Open Championship.

19.2. Game by game voting (MVP Award)

The head coach of each team, and the games' Referees as a collective, shall award votes after each game – awarding three (3), two (2), one (1) votes for the match which can be allocated to Players from either Team.

The League Manager shall monitor coach and Referee voting, and where appropriate, request a head coach (via a Delegate) or Referee to recast their votes after a game. Voting deemed to not be in the spirit of voting may be subject to an administrative and procedural fine, or further sanction.

For clarity, voting should be cast as though deciding on a 'Grand Final MVP' as a guiding principle.

The voting will not be published during the Season.

19.3. MVP

The competition MVP winner, decided at the completion of the regular Season, is the Player who has received the most votes.

If two or more Players are tied for MVP, all tied players will be awarded the MVP for that Season.

20 Game Scoresheets

20.1. Recording of Active Players

All active players shall be recorded on the electronic scoring device scoresheet. It is mandatory for at least one coach from each team to be recorded on the game scoresheet.

20.2. Submission of Game Results

The Home Association is required to ensure all game results are submitted at the conclusion of each game. Reasonable internet connection is expected for live scoring. Should internet connection be limited on each court, all results should be submitted at the conclusion of the day.

21 Tribunal

The WABL competition conducts tribunals in accordance with the Basketball WA tribunal by-laws. Should a tribunal be required, a three-member panel will be convened as early as possible.

All communications related to a tribunal will be made by Basketball WA through the Association.

22 Protests

22.1. Right to Lodge a Protest

Associations shall have the right to lodge a report in a charge or protest, or giving notice of a dispute in relation to:

- The conduct of a competition match
- The eligibility of any player taking part in the match
- The behaviour of any person(s)

22.2. Submission of Written Report

The above notification shall then be followed up by a written report from the impacted Association and submitted to the Basketball WA office within 24 hours of the conclusion of the game. Such a report shall include:

- A comprehensive account of the incident or happening giving rise to the charge, protest, or dispute
- The names of the team and/or players concerned
- The officials in control of the match

22.3. Monetary Security Bond for Protest

A \$100.00 monetary security bond is required, which is refundable if the protest is upheld.

23 Unfinancial Associations

23.1. Payment of Fees

All Associations must pay nomination and registration fees prior to the start of the season.

23.2. Payment of Fines

All fines must be paid within fourteen (14) days of notification by Basketball WA of the fine.

23.3. Eligibility for TCD Open Championship

Any Association that is unfinancial with Basketball WA shall not be eligible to compete in the TCD Open Championship.

24 Jurisdiction

28 Appendix C Match Result Protest Procedures

The WABL competition operates under the FIBA Rules (with some exceptions as noted in these Rules) and as such match result protests should follow the procedures contained in the FIBA Rulebook.

Basketball WA is mindful of the fact that not all teams carry a rulebook to their games so to assist team coaches and managers, the following guidelines have been issued:

- Notification of the intent to protest the result of the match must be reported to the Games Controller at the conclusion of the game and signed by the Coach. This must be submitted in writing and can be as simple as: "The X team wishes to protest the result of the game between X and Y".
- The notice should then be followed up with a written report from the Association submitted to the Basketball WA office within 24 hours of the completion of the game.
- A \$100.00 monetary security is required which is refundable if the protest is upheld.
