Regional sides will be permitted into the final weekend of State Titles as South West, Great Southern, Goldfields, Mid West, Pilbara and Kimberley. These teams will be selected through regional trials for selection of sides.

6.0 Nominations

Each age group is divided into a Championship Division, Second Division and Third Division with only one team from each Association competing in the Championship Title division. Some games may be played on a Friday night to allow for additional teams.

Nomination Forms will be forwarded to Associations in October. Nominations will close on Tuesday 9 November at 5:00pm.

- Association Teams who participated in the 2021 WABL Finals may **NOT** enter a team in the Second Division of any age group **UNLESS** they have entered a team in the Championship Division of that age group. This applies to the age group directly above

their 2021 WABL Division (i.e. an association with a team participating in Under 14 WABL finals must nominate a team into U15 BWA State Championships). This will only apply to WABL Championship Title divisions. Basketball WA may move a team at their own discretion.

- Teams who did not participate in the WABL Finals for their respective age group may enter a team in that age groups second division without first entering a Championship Division team in that age group.
- Associations who participate in NBL1 West may NOT enter a team in the Second Division of the U17 or U19 age groups UNLESS they have entered a team in the Championship Division of that age group. Allowances will be made for teams who did not participate in the 2021 WABL Finals for their respective age groups.
- If an Association only has a men's NBL1 West program (no women's program) then the above rule only applies to the male divisions of the Championships and vice versa.
- Each association may only have one Championship Division team. Additional Second and Third Division teams are allowed and will be accepted based on Court Space and time.
